After taking your course I really shifted from focusing on selling and became more so focused on gaining a following and leading with the opportunity rather than the products. I was able to jump from a 3k monthly affiliate to a 10k monthly affiliate by focusing on team building and recruiting so I'm super excited! **~DEANNAMAIRE SMITH**

Hi Jerusher! I'm doing great! Since the 3 Day Ride, I've added 2 new business partners and a variety of new customers. I'm reconnecting with friends on Facebook daily and offering my product and opportunity. I'm eternally grateful for all you've taught me. I'm considering repeating the 3Day Ride. I recognize that I need a daily plan to keep me on track and prevent procrastination and indecisiveness. Enough about me. How are you? **~CHINEL CLARKE**
